

STUDENT ACCOMMODATION SURVEY

2020/2021

OUR STUDENTS *Said*

1

Further improve the washing & drying facilities

We have:

- Replaced the laundry machines at Central Village and Charles Morris Hall
- Installed washing machines and dryers in each flat at Montague Burton
- Circuit has upgraded its website and social media platforms with how-to guides to get the most out of the Circuit Mobile App

2

Provide more pre-arrival information online

We have:

- Produced 360° videos of our residences for the accommodation website and the University Facilities Directorate YouTube channel
- Provided access to the Residence Life events calendar and booking page for incoming residents via the new accommodation portal

We will:

- Develop a new accommodation pre-arrival e-induction programme

3

Provide faster and more reliable internet connection

We have:

- Increased the bandwidth on the wireless network threefold

We will:

- Upgrade all network infrastructure in University connected residences from March 2022, providing every bedroom with its own wireless point to allow the residents to connect their wireless devices

4

Offer more engaging and widely accessible events for residents

We have:

- Re-introduced in-person events in residences
- Organised a wider variety of event types. Some recent example are: boardgames and hot chocolate station hangout, a llama visit, themed crafternoons, cinema trips, and an open mic halls takeover.
- Published a monthly Residence Life newsletter featuring current and upcoming events, as well as other Residence Life news.

5

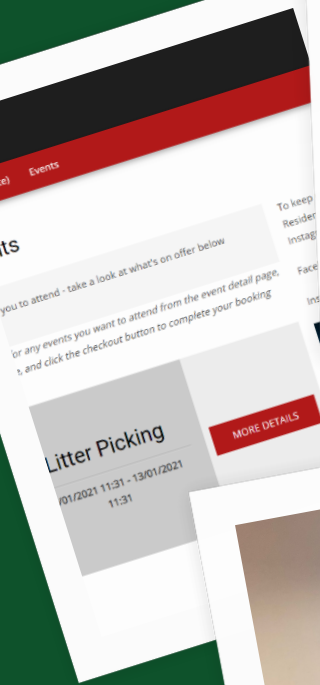

Offer more communal spaces and facilities

We have:

- Built common room facilities at Montague Burton and St Mark's
- Introduced a study area at Charles Morris

Clockwise: Free breakfast, boardgame and hot chocolate event, Montague Burton common room, Llama visit, Valentine's embroidery, Residence Life events calendar, Lunar New Year crafternoon, the new accommodation portal, Charles Morris study area.
