CAMPUS MAP
Welcome

Starting at university might be the first time that you’ve lived away from home and this can be daunting as well as exciting; that’s why we open up our residences for our annual Accommodation Viewing Day so you can come and see what living in our accommodation is like.

Make the most of your day
Viewing Day is designed to enable you to get a feel for life in halls, ask any questions and help you decide where you would like to live.

In advance of the day, it would be a good idea to decide which residences you want to view. You may have already decided what you are looking for from your accommodation but if not, consider if you would prefer catered or self-catered, whether you’re happy to share a bathroom, what sort of budget you have, whether you want to be in a modern residence or if you prefer a more traditional style.

There’s no need to register to visit any of our residences or campus facilities on Viewing Day, you are free to come and go as you please. Residences are open to view from 9.30am – 5pm.

The majority of our accommodation is located off campus, however most of our residences are within two miles of the University. To get the most out of the day we recommend you choose your preferred five or six residences to visit on the day.

Visiting campus facilities
On the day you can also take a tour of The Edge [101] sports centre and swimming pool, and our award winning Students’ Union [32]. There is no need to book, just go to the building you would like to see.

Tours run from 9.30am–4.30pm at regular intervals and last approximately 15 minutes. Tours start and finish at the main entrance of each building - just look out for our student ambassadors in red t-shirts.

Take a break
Parkinson Court Cafe [60] is open from 9.30–4pm and the Refectory [29] is serving food from 10am–2pm. Food outlets, bars and shops are open from 9am in the Students’ Union [32]. Off campus, complimentary tea and coffee will be available at Oxley Residences and Devonshire Hall.

Visitors with disabilities
If you have a disability and require specifically adapted accommodation, or you are a wheelchair user and require an alternative means of transport to view the residences, please email Accommodation Services prior to your visit at accom@leeds.ac.uk

Car parking
Parking is available in the University visitor’s car park (charges incurred). More details, including alternative off campus parking, are available at carparking.leeds.ac.uk/visitors.

Pay and display parking is also available at Woodhouse Lane Multi-Storey (LS1 3HQ) which is an easy 10 minute walk from campus.

Questions and information
If you have any queries on the day there will be an information stand located close to the Parkinson Building [60] at the University main entrance. You will also find staff at the residences, on shuttle buses, at shuttle bus stops and at various locations along the suggested walking routes - just ask them if you have any questions.

If you need to contact Accommodation Services on the day, call 07795 445 136.

* Healthcare students are housed in dedicated blocks at these residences.

The prices listed in this guide are for 2018 entry. They may still change and are a general guide only. Price ranges reflect differences in room size or facilities. These things determine exactly what you pay in the price band.

The price you see in your contract is the price you will pay. For the latest information on accommodation costs visit [www.leeds.ac.uk/accommodation](http://www.leeds.ac.uk/accommodation)
Map of our residences

This map gives you an idea of where our undergraduate residences are located in relation to the campus and the city centre. The majority of our residences are off-campus, with just four residences on-campus. Most of the residences are within two miles of the University campus and are on or near well-serviced public transport routes.

Viewing Day travel

Each residence profile page details the recommended method for travelling there - by shuttle or public bus, on foot or by car.

Shuttle bus
Please see shuttle bus planner on page 5.

You will not be able to book a place on the buses and there will be queues for services, particularly around lunchtime. Please consider taking a public bus rather than waiting for a shuttle bus if it starts to get busy.

By public bus
Most of our students make use of the great public transport system in Leeds, and you may like to do the same. The main bus stops are just outside the University main entrance in front of the Parkinson Building [60] - the buses stop on the main roads close to the residences. Walking instructions from the bus stops are also detailed on each residence profile.

On foot
Ellerslie Global Residence [22], Henry Price Residences [44], Charles Morris Hall [86] and Lyndon Hall [30] are all on campus and can be easily reached on foot. Many of our other residences including North Hill Court, James Baillie Park, Devonshire Hall, Leodis, Montague Burton, Central Village, CitySide, Sentinel Towers and The Tannery are all within walking distance of campus.

Walking instructions are provided on all relevant residence profile pages. The suggested walking routes for the on campus residences are shown on the campus map on pages 16 and 17.

By car
You can drive to the accommodation yourself; postcodes are shown on each residence profile. There is also a location map of the residences on page 3. Traffic is likely to be heavy in and around Leeds so you should allow plenty of time for your journey between residences. Please note; parking is available at some residences but will be limited as students will still be on site. You may want to consider using public buses, shuttle buses or walking where appropriate.
Shuttle buses and route planner

Free shuttle buses will be operating between residences. Please note this is a ‘hop on, hop off’ service rather than a coach tour. The shuttle buses will depart regularly from outside the University main entrance, simply turn up and get on the appropriate one. The buses stop on the main road as close as possible to each residence, but there might be a short walk to get to the residence itself. Walking instructions from the bus stops are detailed on each residence profile.

Residence profiles

Room types
We offer a wide variety of room types but you can expect all rooms to be single occupancy, with a bed, wardrobe, desk, chair and book shelves; some standard rooms also have a wash basin. En suite rooms have a toilet, shower and wash basin and studios are self-contained with kitchen facilities and a separate en suite. If you’d like to share a room or studio with someone, some of our residences offer that option too.

Facilities and features
There are a variety of facilities available at different residences including common rooms with TVs, free TV over the University network, on-site gyms, music practice rooms, bars, pool tables, picnic and BBQ areas, and shops nearby.

Whichever University residence you live in, you’ll enjoy:
- free high-speed wi-fi
- laundry facilities or laundry credits
- free off-peak gym and sports membership
- secure cycle storage
- security service on call 24/7
- an efficient, responsive maintenance service
- free basic contents insurance cover for your belongings
- all utility bills (electricity, gas and water) included in your rent.

All rooms include:
- Bed and mattress
- Wardrobe
- Study table and chair
- Shelving and storage

Social events
Each residence has a student-led residents’ committee that organises social events and activities during term time. From film nights, winter balls and summer BBQs, to pub quizzes and day trips to the great outdoors, there are plenty of opportunities to get involved and make new friends.

Help and support
You’ll also have a residence warden and in most cases a team of subwardens to help you with any problems, whether within the residence or more generally. There’s always someone on call 24/7 to help with any urgent problems outside normal office hours.

FAQs

How and when do I apply for accommodation?
You can apply for accommodation via our website once you have accepted Leeds as your firm choice with UCAS. We guarantee* an offer of accommodation providing you apply by the 1 July 2018.

Will I get my first choice residence?
We successfully allocate 70% of our students their preferred choice of accommodation - unfortunately, in common with most universities in the UK, we can’t guarantee everyone their preferred choice. We do however make every effort to find you somewhere suitable based on your requirements and preferences. We don’t operate a first come, first served policy so you’ve time to make your choice. You should tell us what is important to you about your accommodation preferences and if you have any special requests when you apply, as we’ll try to take these into consideration.

I’m applying for a Healthcare course, which accommodation should I apply for?
Healthcare students are advised to apply for The Tannery, Oxley or Lupton Residences. We allocate all Healthcare students together due to high course contact hours and work placements. If you need additional accommodation at the end of your contract, you can apply for this during semester two.

I have a disability or medical condition - do I need to tell you?
Yes. Please get in touch with Accommodation Services before you apply, we’ll be able to advise you on which of our residences will best suit your needs and we’ll make every effort to meet your requirements.

Do you have accommodation for smokers?
Most residences operate a no smoking policy, however there are some rooms allocated to some students who smoke at Lupton residences. You’ll need to indicate this as a preference on your application. Please be aware that your request to smoke may take priority over the residence you have selected as your choice.

Are your residences mixed gender or single sex?
We try and find the best mix of students for each residence; all of our residences are mixed gender, but you can request to live in an all male or all female flat.

Do you have designated quiet residences?
None of our residences are designated quiet, but we do have quiet flats. You can request to be allocated a room in a quiet flat on the application form if that is your preference. In all our residences however, we ask that you respect the other residents and the local community by keeping noise to a minimum, especially when returning late at night and during the exam periods.

When will I hear which residence I’ve been allocated?
Once we’ve allocated your accommodation we’ll send you an email with a link to our accommodation portal. Here you will find the details of your offer and have the opportunity to accept your contract, pay your deposit, set up your instalment plan and access our online induction. Make sure before you accept your new contract to read it carefully, including the terms and conditions.

If you have an unconditional offer at Leeds, we’ll confirm your accommodation between 16 July and 31 July; otherwise we’ll confirm your accommodation between 18 August and 9 September. You’ll need to accept the contract and pay the £200 deposit within 4 days of receiving the email, so if you’re not going to be around, make sure you or someone else can access your emails and the accommodation portal.

How do I pay?
We have a range of payment methods available. Your rent can be paid in either one, three or eight instalments to make budgeting easier – the first instalment isn’t due until October so you don’t have any rent to pay until after you move in.

What if I want to stay in University accommodation after my first year?
We usually have a number of places available for returning students, please see our website for more information on how and when to apply.
