WELCOME

Living in University accommodation is a great introduction to student life and a fantastic way to make new friends. For many students, life in student accommodation provides some of their happiest memories. That’s why we hold Viewing Day each year, to help you decide which accommodation is right for you.

MAKE THE MOST OF YOUR DAY

Before Viewing Day, it’s a good idea to decide what type of accommodation you want. Consider things like catered or self-catered accommodation, if you’re happy to share a bathroom, what sort of budget you have and whether you would prefer a modern residence or a more traditional style. We recommend you choose five or six residences to visit on the day.

There’s no need to register to visit any of our residences or campus facilities on Viewing Day, you’re free to come and go as you please.

Residences are open to view from 9.30–17.00.

The majority of our accommodation is located off campus, however most of our residences are within two miles of the University.

Find out more about our residences at accommodation.leeds.ac.uk/residences

Visiting Campus Facilities

On the day you can also take a tour of our indoor sports facility, The Edge [101] and our Students’ Union [32]. You don’t need to book, just turn up.

Tours run from 9.30–16.30 at regular intervals and last approximately 15 minutes. Tours start and finish at the main entrance of each building – just look out for our student ambassadors in red t-shirts.

Take a Break

Refreshments are available from the Parkinson Court Café [60] between 8.30–15.00. The Refectory [29] is serving food between 10.00–14.00. Food outlets, bars and shops are open from 9.00 in the Students’ Union [32]. Off campus, complimentary tea and coffee will be available at Oxley Residences and Devonshire Hall.

Visitors with Disabilities

If you have a disability and require specifically adapted accommodation, or require an accessible route and alternative means of transport to view the residences, email Accommodation Services prior to your visit at accom@leeds.ac.uk

Car Parking

Parking is available on campus in the visitor’s car park or at Woodhouse Lane multi-storey (LS2 3AX) which is only a 10-minute walk to campus (charges apply for both).

Questions and Information

If you need any help on the day, visit the information stand located close to the Parkinson Building [60] at the University main entrance. Staff will also be on hand at each of the residences and at various locations en route to answer any of your questions.

* Healthcare students are allocated dedicated blocks at these residences.

The prices listed in this guide are for 2020 entry, but they may still change and are a general guide only. Price ranges reflect differences in room size or facilities. These things determine exactly what you pay in the price band.

The price you see in your contract is the price you’ll pay. For the latest information on accommodation costs, visit [accommodation.leeds.ac.uk](http://accommodation.leeds.ac.uk)
This map gives you an idea of where our undergraduate residences are located in relation to the campus and the city centre. The majority of our residences are off-campus, with just four residences on-campus. Most of our residences are within two miles of the University campus.
TRAVEL

With a range of travel options available on Viewing Day, each residence profile details the recommended method of transport.

SHUTTLE BUS

Free shuttle buses will be operating between the residences, departing regularly from outside the University main entrance in front of the Parkinson Building 📍[60].

You don't need to book this service and there are likely to be queues, particularly around lunchtime, so you may want to consider taking a public bus service. Routes for the shuttle buses can be found on page 9.

BY PUBLIC BUS

Most of our students make use of the great public transport system in Leeds, and you may like to do the same. The main bus stops are just outside the University main entrance in front of the Parkinson Building 📍[60] – the buses stop on the main roads close to the residences. Walking instructions from the bus stops are also detailed on each residence profile.

ON FOOT

Ellerslie Global Residence 📍[22], Henry Price Residences 📍[44], Charles Morris Hall 📍[86] and Lyddon Hall 📍[30] are all on campus and can be easily reached on foot. Many of our other residences including North Hill Court, James Baillie Park, iQ, Devonshire Hall, Leodis, Montague Burton, Central Village, CitySide, Sentinel Towers and The Tannery are all within walking distance of campus.

Walking instructions are provided on all relevant residence profile pages. The suggested walking routes for the on-campus residences are shown on the campus map on pages 22–23.

BY CAR

You can drive to the accommodation yourself; postcodes are shown on each residence profile. There is also a location map of the residences on pages 6–7. Traffic is likely to be heavy in and around Leeds so you should allow plenty of time for your journey between residences. Parking is available at some residences but will be limited as students will still be around. You may want to consider using public buses, shuttle buses or walking where appropriate.

SHUTTLE BUSES AND ROUTE PLANNER

Shuttle buses are a ‘hop on, hop off’ service rather than a coach tour. All routes depart approximately every 15 minutes. Simply turn up and get on the appropriate one.

The buses stop on the main road as close as possible to each residence, but there might be a short walk to get to the residence itself. Walking instructions from the bus stops are detailed on each residence profile.
RESIDENCE LIFE PROGRAMME

Residence Life at the University of Leeds is about making your experience in halls the best it can be. The team work in partnership with Leeds University Union (LUU) to provide you with a calendar of events all year round that’s only available if you’re in halls.

SOCIAL EVENTS

Each residence has a student-led Hall Exec that organises social events and activities during term time. From film nights, winter balls and summer BBQs, to pub quizzes and day trips to the great outdoors, there are plenty of opportunities to get involved and make new friends.

HELP AND SUPPORT

Every hall also has a Warden, and in most cases a team of Subwardens, to help you with any problems. There’s always someone on call 24/7 to help with any urgent problems outside normal office hours.

ROOM TYPES

We offer a variety of room types but all rooms are single occupancy, with a bed, wardrobe, desk, chair and book shelves. Some standard rooms also have a wash basin. En suite rooms have a toilet, shower and wash basin and studios are self-contained with kitchen facilities and a separate en suite. If you’d like to share a room or studio with someone, some of our residences offer that option too.

FACILITIES AND FEATURES

There is a variety of facilities available at different residences, including common rooms with TVs, on-site gyms, music practice rooms, bars, pool tables, picnic and BBQ areas, and shops nearby.

Do I need to tell you about my disability or medical condition?
Yes. Get in touch with us before you apply, as we’ll be able to advise you on which of our residences will best suit your needs and we’ll make every effort to meet your requirements.

Do you have accommodation for smokers?
All of our residences operate a no smoking policy.

Are your residences mixed or single gender?
We try and find the best mix of students for each residence. All of our residences are mixed gender, but you can request to live in a men-only or women-only flat. If you have any specific circumstances you’d like to discuss, please get in touch with us.

Do you have designated quiet residences?
We don’t have any designated quiet residences, but we do have rooms in quiet flats which you can request when you apply. We ask students in all our residences to respect other residents and the local community by keeping noise to a minimum. Designated quiet hours across all of our residences are from 11pm–8am every day, and this is extended during the exam period in January and May.

Will you consider any other requirements when you allocate accommodation?
If you have any other requirements that you would like us to consider then please get in touch with us.

When will I hear which residence I’ve been allocated?
Once we’ve allocated your accommodation we’ll send you an email with a link to our accommodation portal. You’ll then be able to review your accommodation offer, accept your contract, pay your deposit, set up your instalment plan and access our online induction.

Make sure you read your contract carefully, including the terms and conditions, before you accept it.

You can apply for accommodation via our website once you have accepted Leeds as your firm choice with UCAS. We guarantee* an offer of accommodation providing you apply by the 1 July 2020.

Will I get my first choice residence?
Like other popular universities in the UK, we can’t guarantee everyone their preferred choice. If you don’t get your preferred choice, we’ll make every effort to find you somewhere suitable based on your requirements and preferences. We have a fantastic range of accommodation and we’re sure you’ll have a great experience wherever you live.

I’m applying for a Healthcare course, which accommodation should I apply for?
If you’re a healthcare student, you should apply for The Tannery, Oxley or Lupton Residences. We allocate all Healthcare students together due to high course contact hours and work placements.
